# Information Page

By acquiring this catalog you have our complete letterpress shop at your disposal. With our 4 Intertype Hot Metal Typesetting Machines, Ludlow capability and Heidelberg 10" x 15" Windmill presses as well as the latest advances to printing with 2 Heidelberg Printmaster 2-color offset presses, we are ready to handle almost all of your printing needs.

We currently operate 20 presses with which we have the ability to print, number and perforate in a single press run. All are Schnellpressenfabrik - that means "fast press factory" in German.

- 48 HOUR SERVICE - On most small run ticket orders. Remember to allow an extra 1 to 2 days for each additional service such as back printing, drilling, stapling, etc. ... Orders with furnished artwork may take an additional 3 to 4 days longer

- RETURN SHIPMENT - All items in this catalog are shipped via United Parcel Service. We must have a complete street address (not a P.O. Box) for UPS delivery. UPS Next and 2nd Day Air Services are available for an additional charge. Please specify method of shipment on your order form.

- DROP SHIPMENT - At your request, orders can be shipped directly to your customer for an additional charge. Our name does not appear on the package and the invoice and samples will be mailed directly to you. C.O.D. accounts must prepay for drop shipment orders.

- OFFICE HOURS - Our office is open and ready to help Monday through Thursday 7:00 a.m. to 4:30 p.m. & Friday 10:00 a.m. to 4:30 p.m. (Eastern Time). We will take reorders and reprints over the phone, but due to the possibility of errors we will not take copy. If possible, please fax your RUSH orders.

- FAX ORDERS - Orders can be placed by fax 24 hours a day, 7 days a week. When placing your orders keep in mind that some clarity will be lost in faxing. Avoid small type copy (enlarge prior to sending) if possible. Remember that what looks clear to us on fax paper may not be the character which was intended (i.e. i or l, 6 or 8, a or o, etc.). We cannot be responsible for copy which is unclear.

- PROOFS - A proof of your ticket can be e-mailed or faxed for your approval at an additional charge. We accept no responsibility for errors in copy once proof is approved.

- ERRORS - If we have made an error, we will reprint your order at no charge. If the error is yours, we will reprint with a 10% discount off the base ticket price. If the error is both our faults, we will redo the order for 50%. This half price also applies if the error is ours but you wish to make changes "Since we're reprinting the order".

- CANCELLATION - There will be an additional charge for cancellation of orders which are already in process. Applicable charges will depend upon the amount of work already done on the order.

- CORRECTIONS - There may be an up-charge for changes made to orders after receipt by us. Quite often there is additional typesetting required to change copy not to mention the legwork involved in tracking down an order already in the shop.

- QUOTES - We will quote your order over the phone, but prefer to have the specifications faxed to us. We will not be responsible for misquotes if information is supplied verbally. Quotes are good for 30 days.

# Style A-101

*Without Stub*

Style A-101 is the standard ticket used for dinner-dance, admission, etc. when a stub is not required.

Size is usually from 2 1/4" x 4" up to 2 1/4" x 5 1/2" depending on the amount of numbers used, none or up to two. If size is not specified, it will be left to the discretion of the printer.

**Advanced Sales Ticket**

November 25th - January 2nd  
Wednesday thru Sunday  
5:30 to 9:00 pm  
Must present at show gate to ticket seller  
Good for one car, value \$8.00

A-101 Tickets are available on all stocks offered on your pricing sheets, in the full array of colors listed. We do recommend, however, that because of their normal purpose a heavier grade (at least the Vellum Bristol stock be used.)

Stock cuts which are found in this catalog may be added to your A-101 at no additional charge.

Same or next day service is usually available by specifying.

# Style A-102

With Stub

Style A-102 is a standard fundraising/raffle ticket. Size typically is 2 1/4" x 6 1/2" with the first 2 inches horizontally being the stub area and the remaining 4 1/2" the body of the ticket.

Though A-102 are a single stub ticket, you may add a second perforation below the staple on stapled jobs to aid detachment from books

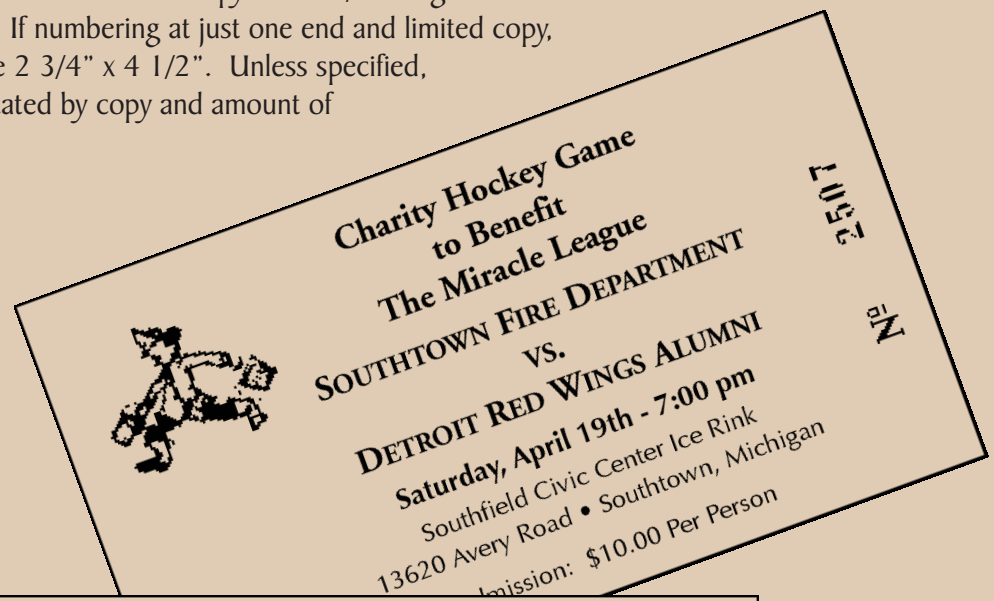

Stock cuts which are found in this catalog may be added to your A-102 at no additional charge.

Same or next day service is usually available by specifying.

# Style A-103

*Oversize Without Stub*

Style A-103 is a larger ticket without a stub. Size is normally determined by the amount of numbers used and copy on ticket. For Example: If an A-103 is ordered and a number is requested on both ends of the ticket, and there is a large amount of copy to be printed, the ticket size would probably be adjusted to 3" to allow for lines of copy and 5 1/2" long to accommodate numbers at each end. If numbering at just one end and limited copy, the size might become 2 3/4" x 4 1/2". Unless specified, sizes are normally dictated by copy and amount of numbers used.

A-103 Tickets are available on all stocks offered on your pricing sheets, in the full array of colors listed. We do recommend, however, that because of their normal purpose a heavier grade (at least the Vellum Bristol stock be used.)

# Style A-104

## Oversize With Stub

Style A-104 is an enlarged version of the A-102. It allows for added versatility on tickets that require more area for copy and/or artwork. Maximum size for the A-104 is 3" x 7", with numbering and perforation included. Though A-104 are a single stub ticket, you may add a second perforation below the staple on stapled jobs to aid detachment from books. If size A-104 is ordered, but no size given, ticket size will be made according to copy.

# Printed Tags

## Reinforced Eyelet

Printed Tags are available in sizes 4-8 in a variety of colors. All are 13 pt. card stock with paper reinforcement and clipped corners.

Tag colors available in all sizes are: Manila, white, light blue, dark blue, light green, dark green, yellow & red.

Additional Colors In These Sizes Only  
#5 - Orange  
#8 - Orange, Lavender & Gray

As tags are generally specialty items and cannot be run on our offset presses, camera ready artwork is usually required and is an additional charge (as well as an additional 2-3 days).

In the instance that no artwork is required (straight line copy-no larger than 24 pt.-that we can set on our letterpress), tags usually ship within 2-3 days of receipt. Remember, additional services such as backprinting, stringing, etc. require additional time.
